I am contacting you to request an official transcript from The University of Maryland. Currently, we are in receipt of an "Issued to Student" transcript mailed by you, but we are not able to accept this transcript for verification purposes. Verification requires an official transcript, sealed from the Registrar's Office and must not be stamped "Issued to Student." If you have any further questions about transcripts, please refer to the information on the AACOMAS website at: aacomas.aacom.org
